

BLACK NITRILE PALM, GREY NYLON SHELL

Product Description

When choosing high dexterity gloves, you are choosing a category of gloves that have been constructed from the best combinations of knit liners and palm dips available. Compression knit liners are the secret behind high dexterity gloves. Comfortably form fitting to your hand they allow you to perform fine hand manipulations without experiencing hand fatigue. These liners are predominately knit from either cotton for breathability, nylon for memory fit retention, or polyester for economic value. The palms are dipped in compounds such as Nitrile, Latex, PVC and Polyurethane, depending on the performance requirement of that style. Different thicknesses and finishes within each dipping compound, will also enhance certain performance characteristics. Generally, Nitrile offers the best durability, latex the best cool weather flexibility, PVC foam the best wet grip and Polyurethane the best dexterity.

Features

- 15G knit translates into more comfort, durability, and breathability.
- True Nitrile foam is softer and more pliable allowing for a better grip in wet conditions.
- Anti-bacterial treatment

SKU: NNB-

All Season Gloves

Product Details

Construction

- Seamless grey nylon shell, knit liner with black nitrile foam coating.
- Good resistance to oil and grease

| Package Format | Tag with a Hook |
|-----------------------|----------------------|
| Package Quantity | 1 Pair |
| Product Size | XS, S, M, L, XL, XXL |
| Product weight | N/A |
| Product Color | Grey & Black |
| Inner quantity | 12 pairs |
| Inner Dimensions lwxh | N/A |
| Inner weight | 0.9 LB |
| Case Quantity | 10 dozens |
| Case Weight | 15 LB |
| Case Dimensions | 12"x10.5"x20" |
| Pallet Quantity | 48 |
| Ti: Cases/layer | 8 |
| Hi: Layers/Pallet | 6 |
| Package Dimensions | N/A |
